**COMPANY  
PROFILE**

## ICT INFRASTRUCTURE DESIGN & IMPLEMENTATION.

1. Our company specializes in providing a wide range of ICT services, including the installation of Structured Cabling for LAN, Wan ,SDWANS, virtual board rooms and CCTV systems. We also offer top -of-the-line hardware solutions, such as desktops, laptops, printers, toners, cartridges, cameras, phones, and tablets. Our team of experts ensures that the installation of video tablets and other accessories is done with precision & attention to detail.

We provide comprehensive maintenance services to ensure the longevity and optimal performance of all hardware and accessories. In addition, we offer software solutions, including operating system licenses and antivirus programs, to ensure the safety and security of your data.

At our company, we are committed to providing top-notch ICT solutions and services to our clients. Our team is dedicated to meeting your needs and exceeding your expectations. With our expertise and cutting-edge technology solutions, you can rest assured that your ICT needs are in good hands.

## MEDICAL EQUIPMENT & NON-PHARMACEUTICAL

2. Our company offers a comprehensive range of medical equipment and consumables for radiology, laboratory, and personal protective equipment (PPEs). We specialize in providing top-of-the-line equipment such as ultrasounds and X-rays for accurate diagnoses.

Additionally, we offer high-quality consumables to ensure seamless functioning of our equipment. Our lab equipment and consumables cater to diverse laboratory needs, enabling efficient and accurate testing.

Furthermore, we provide a wide range of PPEs to ensure the safety of healthcare personnel and patients.

Our commitment to providing reliable and durable equipment, along with quality consumables, makes us a preferred partner for all your medical needs.

## BRANDING

3. Creating a professional image and cohesive brand identity is crucial for any organization or team. Whether it's a labcoat or a school uniform, workwear serves as an extension of your brand, representing your values and culture to the outside world. A well-designed uniform not only fosters a sense of belonging and pride among employees but also leaves a lasting impression on customers and clients. At the same time, custom-made merchandise such as t-shirts and tracksuits can be a powerful marketing tool, spreading awareness and building brand recognition. Let us help you elevate your brand with our high-quality, custom-made workwear and merchandise solutions.

## ELECTRICAL WORKS

4. Our electrical works department is dedicated to delivering high-quality solutions for your power needs. We specialize in the supply and installation of generators, ensuring that your business or home has a reliable backup power source in case of outages.

Our team is highly skilled in all aspects of cabling, from design to installation, and we offer a wide range of electrical power services, including troubleshooting and repair.

We take pride in our commitment to safety and quality, ensuring that all our electrical installations adhere to industry standards and regulations.

Our experienced technicians use state-of-the-art equipment and techniques to provide efficient and effective solutions for your electrical needs.

Whether you require electrical works for your commercial or residential property, we are dedicated to providing personalized service that meets your specific requirements.

## OFFICE FURNITURE

5. We offer a comprehensive range of office furniture solutions that cater to the diverse needs of modern workspaces. Our furniture collection boasts of ergonomic designs, high-quality materials, and sleek aesthetics, making them a perfect fit for any office environment.

From office chairs and desks to storage solutions and partitions, we provide everything you need to create a comfortable and productive workspace.

Our furniture products are designed to promote better posture, reduce fatigue, and enhance employee well-being, ultimately leading to increased productivity and job satisfaction.

Our team of experts works closely with clients to understand their specific requirements and tailor our solutions accordingly. We take pride in delivering timely and efficient services, ensuring minimum disruption to your workplace.

Contact us today to transform your office space with our premium furniture solutions.
